ABS LABOUR FORCE SURVEY
FEBRUARY 1979

HUR800

0001

A large grid of 100 small, identical images arranged in a 10x10 pattern. Each small image shows a dense, repeating pattern of small, light-colored, rectangular shapes, possibly representing a microscopic view of a material or a highly textured surface. The pattern consists of numerous small, light-colored, rectangular shapes arranged in a regular, grid-like fashion. The shapes are slightly irregular and have a textured appearance, suggesting they might be microscopic views of a material or a highly textured surface. The overall effect is a dense, repeating pattern of these small shapes, creating a complex, textured appearance.
